6. Discussion: Budget 2010

Brian Sullivan, Town Manager

Town Manager

Mr. Sullivan stated that they had reduced the Town's operating budget original submission by over \$800,000. He reported that the legislature is still in the process of determining the level of State Aid that cities and towns will receive in FY2010. Due to the continuing uncertainty, we have been conservative in our estimates in the preparation of this revised budget. Mr. Sullivan stated that we are using a State Aid figure which is \$2,308,306 less than the state aid received in FY 2009 after the 9C cuts.

Mrs. Mahon asked Mr. Sullivan if the "Quinn Bill" is eliminated what impact would that have on the command staff. Mr. Sullivan stated he would be watching that and he doesn't want to lose employees, but it may become a reality.

Mr. Ronald Spangler, School Committee member, stated he heard what the Board is saying and the school department is holding the line.

Mr. Greeley thanked Mr. Sullivan and Ms. Galkowski, Deputy Town Manager, for their excellent work in submitting FY 2010 Revised Budget.

Mr. Hurd moved receipt of report.

New Business

Ms. LaCourt stated she would like the Selectmen to be in charge of the of the Nagaokakyo City Committee. Unfortunately, many of the original records have not been returned to the Selectmen's Office. Mrs. LaCourt feels the Selectmen's Office should be the keeper of all

records and asked that anyone who may have papers, letters, etc. from twenty-five years ago to please bring them to the Selectmen's Office. Ms. LaCourt feels we should have more people on the Sister City Committee.

Mrs. Mahon moved that the Chairman and Ms. LaCourt be in charge of the partnership between the School Department and the Town.
